[redacted] After checking on [redacted]
[redacted] with [redacted] and ascertaining
that we have no record on him, I called Miss Esther Dukov in the
office of Congressman Gerald Ford (R., Mich.) and suggested that
she put [redacted] in touch with [redacted] Miss Dukov agreed
that this would probably be the best procedure inasmuch as [redacted]
story is extremely fuzzy and it is not even certain whether he wants
to see someone from CIA or DIA.

[redacted] Frank McNamara, Staff Director,
House Committee on Un-American Activities, called and asked if
we could provide him with a copy of the pamphlet entitled "The
Youth Fronts, 1946 - 1966," which had been shown to Ed O'Brien
of the St. Louis Globe Dispatch as background for his story. McNamara
wanted the pamphlet as reference work to be held in their files. I
obtained a copy through [redacted] and shall deliver it
to McNamara.

[redacted] accompanied Mr. Colby, C/FE,
to a meeting with Senator Tower. The Senator advised that he is very
impressed by the Agency representatives he met in various stations in
the field and that he had received all of the information he desired. He
had no substantive questions to raise and expressed confidence in the
Agency and its activities although he is not knowledgeable in many
areas. (See Memo For Record for details.)
